

## Limited Warranty Coverage

Subject to the terms and conditions stated herein, Vi-Lux Building Products Inc. (hereinafter "Manufacturer") warrants to the original purchaser (the "Purchaser") that each Vi-Lux® Product (the "Product") will be free from manufacturing defects that cause the Product to rot, corrode, delaminate, or excessively swell from moisture for a period of twenty (25) years from the date of the original consumer purchase. Each Purchaser of a Vi-Lux® Product is solely responsible for determining the effectiveness, suitability and safety of any particular use or application of the Product. Building code regulations vary from area to area. Each Purchaser should consult local building and safety codes for specific requirements.

Manufacturer's liability under this Warranty applies to the Purchaser only and is limited solely and exclusively to replacement of defective Product. In no event shall Manufacturer be liable for labor, installation, reinstallation, freight, taxes or any other charge related to defective Product. Manufacturer shall not be liable for any indirect, incidental, punitive, consequential, exemplary or other damages of any kind whatsoever, whether any such claim is based upon theories of contract, warranty, negligence, tort strict liability or otherwise. This Warranty does not cover and the Manufacturer is not liable for damage or failure of the Product as a result of one or more of the following: intentional or unintentional misuse of or damage to the Product; impact of foreign objects; earthquakes, fire, flood, lightning, ice, tornado, hurricane, windstorm or any other Acts of God; improper installation of the Product or its structural supports; movement, settlement, distortion, warping or cracking of the Product's structural supports or accessories used in connection therewith; physical abuse, vandalism, riot, insurrection, improper maintenance, use or incompatible accessories; or other products that cause a Product defect or failure to occur; pollution, acid rain, application of harmful chemicals or vapors applied to the Product; or ordinary and expected weathering due to exposure to the elements; which for purposes of this Warranty is defined to be fading, chalking or darkening of the surface of the Product due to exposure to ultraviolet light and extremes of atmospheric conditions that are unique to and may vary in each geographic location. This Warranty does not cover painted finishes or coating applied to the Product by the original purchaser or any third party. Failure to adhere to Manufacturer's recommended guidelines for application of painted surfaces shall void this Warranty. All claims under this Warranty must be made within 90 days from the time that the defect is discovered and while the Product is in place. Manufacturer shall be given a reasonable opportunity to inspect and test the Product, its installation, and the environment in which it was used prior to removal by the original purchaser. Failure to comply with these notice and inspection provisions shall void all warranties with regard to Products.

This Warranty may not be altered or amended except in a written instrument signed by the Manufacturer and Vi-Lux® purchaser. No dealer or other person or entity is authorized by the Manufacturer to make statements or representations regarding the performance of Vi-Lux® Products except as contained in this Warranty, and the Manufacturer shall not be bound by any such statements other than those contained herein.
